OBSERVATIONS AND HISTORY NOTES

A beautifully presented 182 upgraded with a fully optimised Garmin IFR suite completed late 2023. Both GPS & Nav are coupled to G5'EFI's to provide accurate HSI navigation data including wind direction/speed, ground speed and calibrated airspeed. New instrument panel styled in "greyfriars" colour scheme included in this installation.

This aircraft is currently in service therefore component times on inspection may possibly vary from those published in this document.

PRICE: \$265,000 - No GST payable **LOG ENTRIES DATED** 04/2024 **E&OE**
